

### REMARKS

Unrelated to patentability, the applicants have amended claims 21, 22, 24, 25 and 30 to clarify their meaning and to reduce the potential for misinterpretation. Claims 21, 22, 24 and 25, in their forms prior to the amendments shown above, have been allowed per the Notice of Allowance of June 25, 2007. Moreover, the applicants desire to have some additional method-claim coverage. Hence, new claims 31-33 have been added based on apparatus claims 22, 24 and 25.

The Examiner is invited to contact the undersigned, if such communication would advance the prosecution of the present application. Lastly, please charge any additional fees (including extension of time fees) or credit overpayment to Deposit Account No. **502117 -- Motorola, Inc.**

Respectfully submitted,  
E. Yepez, III et al.
